CERTIFIED TRAINER

Do you want to enhance the important relationships in your life? You are invited to join with other like-minded people in this two-day workshop, suited to both singles and couples, where you will gain tools to build clear and respectful communication. You will discover the surprising insights that can arise from 'leaning into' conflict as it shows up in our lives.

We will work with the four tools of Marshall Rosenberg's Nonviolent Communication to:

- Identify our habitual reactions and find new ways to respond
- Find ways to talk that create cooperation and willingness
- Listen to others in ways that create connection
- Enjoy the deep satisfaction and fun of meeting needs, including our own, in relationships
